Sir,

I have the honor to state that the Operator in charge of the Electric Pump at Lalbagh has represented to me that the grade of - Rs. 30-2-40 sanctioned to him in G.O.No.D 10055-6/GG 49-29-2 dated - 7th March 1930 is very low. The minimum pay given to the Operator in the Electrical Department being in charge of such works is ---- Rs. 50-10-100 as stated by the Superintendent, Bangalore Power and - Lighting (vide copy attached). He has put in a service of 17½ years in the Department and has been looking after the Pump very ~~xxxisfxxxx~~ satisfactorily undergoing series of personal troubles being single-handed. Since he has no chance of promotion in this Department, I request that sanction of Government may kindly be obtained to give him the grade of Rs. 50-10-100 from 1st July 1937 and instructions issued to the Comptroller to Government of Mysore, to provide the amount in the next year's Budget during 1937-38 and onwards.
